

## Coffee and Tea

**C G Am F (2x)**

**C**  
I like coffee  
**G**  
with a toffee  
**Am**  
I don't like tea  
**F**  
With a honeybee

**C G Am F**

**C**  
I need coffee in the morning  
**G**  
To wake me up for work  
**Am**  
To stop me from sleeping  
**F**  
And from acting like a jurk  
**C**  
I need coffee in the morning

**C G Am F**

**C**  
But we are out of coffee  
**G**  
There nothing to drink  
**F**  
But earl grey tea  
**C**  
I'd rather drink ink

**C**

I like coffee  
**G**  
with a toffee  
**Am**  
I don't like tea  
**F**  
With a honeybee

**C G Am F**

**C**  
So where are my beans  
**G**  
Who knows what this means  
**F**  
Where is my coffee  
**C**  
This all sounds awfully

**C**

I don't like tea  
**G**  
I hate it  
**Am**  
With or without the bee  
**F**  
And no matter who made it  
(2x)

**C G Am F**

**Em**

Now please stop this madness  
**C7**  
As it give's me great

**C**

Tea is not for me

Honey from a bee  
**C**

**C G Am F**

**C**

I need coffee in the morning  
**G**  
To wake me up for work  
**Am**

**C**  
I need coffee in the morning

**C**

If there was tea  
**G**  
That tastes like coffee  
**F**  
I might like a taste  
**C**  
and not let it go to waist

**C**

Tea is not for me  
**G**  
I don't like tea  
**F**  
Honey from a bee  
**C**  
Is part of honeytea
