

Stay
G
Stay,
Em
But don't try to find me
B
Get out of my way
A
When you try to come near
G
I will go
Em
I will disappear
B
I am no longer happy
A
When your near
C
Is there a way
Dsus
To get YOU back
Esus Dsus Esus
To live, to live

G
Where,
Em
Did it all go wrong
B
When did you become a liar
G
I'm beat
Em
By the deceit
B
I am really not happy
A
When your near
C
Is there a way
Dsus
To get YOU back
Esus Dsus Esus
To live, to live
Em
I would fight for it
Bm
I really would
Em
I would fight for you
Bm
If I really could

G
Leave,
Em
If you want to be free
B
I want to believe
G
That you
Em
will stop to deceive
B
Life is not always fair
A
And I no longer care
C
Is there a way
Dsus
To get YOU back
Esus Dsus Esus
To live, to live
C
Or is it better
Dsus
To let go
Esus Dsus Esus
And live, just live
