

Original - Would we do same

E Esus E Esus

Would we do same

Hide the innocent

Or would we have the shame

the shame of having done nothing

E Esus E Esus

If a whole country joins in

I would still be hard

But I guess it's a sin

To not heave joined in

E Esus E Esus

Would be do same

Hide the innocent

Or would we have the shame

the shame of having done nothing

E Esus E Esus

People can be great

When we don't expect it

Before it's to late

People can be great

E Esus E Esus

Would be do same

Hide the innocent

Or would we have the shame

the shame of having done nothing

Em

I hope to not find out

Bm

Which side I would take

Em

because I have no doubt

Bm

It will be a struggle

E Esus E Esus

People can be great

When we don't expect it

Before it's to late

People can be great
